License and Disclaimer

Homecare Kickoff Digital Product License — Terms of Use

IMPORTANT — READ BEFORE USING THESE TEMPLATES. By purchasing, downloading, accessing, or using any document in this package, you agree to the terms below. If you do not agree, do not use the Templates.

1. ABOUT THESE TEMPLATES

The policies, procedures, forms, checklists, and related documents in this package (the “Templates”) are customizable starting points created by Homecare Kickoff (the “Provider”) for non-medical home care agencies. They are general in nature and are intended to be edited, completed, and adapted by the purchaser (“you”) to reflect your own services, operations, and jurisdiction. They are not finished, ready-to-file documents, and they are not a substitute for professional judgment.

2. NOT LEGAL ADVICE

The Provider is not a law firm and does not provide legal, accounting, tax, medical, or compliance advice. Nothing in the Templates or in any accompanying material creates an attorney-client relationship or any professional-client relationship. The Templates are provided for informational and administrative convenience only, and no representation is made that any Template satisfies the requirements of any law, regulation, licensing body, accreditor, or payer.

3. YOUR RESPONSIBILITY TO CUSTOMIZE & COMPLY

You are solely responsible for the versions of the Templates you adopt and use. This includes:

- Completing every placeholder (shown in red brackets) with accurate information before use.
- Tailoring each document to your actual services, policies, workflows, and client population.
- Ensuring your final documents comply with all applicable federal, state, and local laws, licensing and certification requirements, and payer rules, which vary by jurisdiction and change over time.
- Confirming any legally required content, notices, timeframes, and reporting authorities specific to your state and program.
- Keeping your documents current as laws, regulations, and your operations change.

4. INDEPENDENT PROFESSIONAL REVIEW

You are responsible for having a qualified attorney and/or compliance professional licensed in your jurisdiction review and approve the final versions of any documents you intend to rely on, before you use them. The Provider strongly recommends this review, particularly for agreements, consents, authorizations, privacy notices, and any document with legal or regulatory effect.

5. NO WARRANTY

THE TEMPLATES ARE PROVIDED “AS IS” AND “AS AVAILABLE,” WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, COMPLETENESS, NON-INFRINGEMENT, OR COMPLIANCE WITH ANY LAW. The Provider does not warrant that the Templates will meet your requirements or produce any particular result, including any licensing, survey, or accreditation outcome.

6. LIMITATION OF LIABILITY

To the fullest extent permitted by law, the Provider and its owners, members, and affiliates will not be liable for any indirect, incidental, special, consequential, exemplary, or punitive damages, or for any loss of profits, revenue, data, goodwill, penalties, fines, or business, arising out of or relating to your use of or inability to use the Templates, even if advised of the possibility of such damages. The Provider's total aggregate liability arising out of or relating to the Templates will not exceed the amount you paid for them.

7. LICENSE GRANT

Subject to your compliance with these terms, the Provider grants you a limited, non-exclusive, non-transferable, revocable license to use, edit, and reproduce the Templates solely for the internal operation of your own single home care agency. All rights not expressly granted are reserved by the Provider. This license extends to the purchasing agency's owners, employees, and contractors who need access to the Templates to support that agency. The agency may incorporate customized Templates into its internal manuals, handbooks, and operating documents, and may give completed client or employee forms and handbook materials to the people they are intended for in the ordinary course of business.

8. RESTRICTIONS

Except as expressly permitted above, you may not:

1. Resell, sublicense, redistribute, share, give away, or publish the Templates, in whole or in part, in their original or a modified form, as templates, forms, or a competing product;
2. Use the Templates to create, market, or distribute a product or service that competes with the Provider's;
3. Upload or post the Templates, in original or modified form, to a public website, file-sharing service, or template marketplace;
4. Claim authorship of, or represent that you created, the Template library or its structure; or
5. Use the Templates for any unlawful purpose or in violation of these terms.

A separate written license is required for multi-agency, franchise, reseller, or enterprise use.

Software and AI tools. You may use word processors, AI assistants, and other software to customize the Templates for your own agency. You may not upload or use the Templates with any AI system or other tool for the purpose of reproducing, redistributing, or selling substantially similar document products or services.

9. INTELLECTUAL PROPERTY

The Template library, including its selection, arrangement, structure, wording, and design, is owned by the Provider and is protected by copyright and other intellectual-property laws. Your license does not transfer any ownership. Documents you create by customizing the Templates for your own agency's internal use are yours to use, subject to these terms and the restrictions above.

10. UPDATES

For 12 months from your purchase date, if Homecare Kickoff releases an updated version of a product you purchased, the updated version will be sent to the email address used for your order at no additional charge. Updates reflect improvements Homecare Kickoff makes to its documents; they are not a monitoring service for changes in federal, state, or local law, and you remain responsible

for keeping your documents current. After 12 months, the Provider has no obligation to provide updates or to notify you of changes.

11. INDEMNIFICATION

You agree to indemnify, defend, and hold harmless the Provider and its owners and affiliates from and against any claims, damages, penalties, losses, and expenses, including reasonable attorneys' fees, arising out of or related to your use of the Templates, the documents you create from them, or your breach of these terms.

12. GOVERNING LAW & GENERAL

These terms are governed by the laws of the State of Wyoming, without regard to conflict-of-law rules. If any provision is found unenforceable, the remaining provisions stay in effect. These terms, together with the Purchase Terms that applied to your order, are the entire agreement between you and the Provider regarding the Templates and supersede any prior understanding. The Provider's failure to enforce a provision is not a waiver of it. By purchasing, downloading, or using the Templates, you acknowledge that you have read, understood, and agree to this License and Disclaimer.

13. OWNERSHIP MARKERS AND ENFORCEMENT

These documents contain embedded ownership and copyright information identifying Homecare Kickoff as their source. Removing or altering copyright or ownership information does not change who owns the documents and may itself violate federal law (17 U.S.C. § 1202). Unauthorized copying, resale, sharing, or distribution of these documents, in original or modified form, is a violation of this license and of U.S. copyright law. Homecare Kickoff may pursue available legal remedies, including takedown notices, claims for damages and attorneys' fees, and injunctive relief.

14. CONTACT
